RE: #2020087- Arterial Grind and Overlay, South

September 10, 2020

Dear Property Owner/Resident:

We plan to begin grinding tomorrow, September 11, and hopefully finish on Monday. Because grinding is a moving operation, access onto Eagle Ridge from Shelby Ridge Lane will be affected but only for a very short amount of time. After grinding we will start pavement repairs. We will keep both of these operations limited to one side of the street, maintaining two-way traffic at all times.

Your cooperation is much appreciated during this time. Please feel free to reach out to me at 509-362-2604 should you have any questions or concerns during this phase of construction. Thank you in advance for your understanding.

Sincerely,

Tawny Thompson
Shamrock Paving, Inc.
