September 25, 2020

Dear Property Owner/Resident:

Next week we will continue with pavement repairs on Eagle Ridge westbound followed by the first lift of asphalt paving. On Wednesday we will switch traffic over and begin crack sealing in the eastbound lane.

Your cooperation is much appreciated during this time. Please feel free to reach out to me at 509-362-2604 should you have any questions or concerns during this phase of construction. Thank you in advance for your understanding.

Sincerely,

Tawny Thompson
