RE: #2020087- Arterial Grind and Overlay, South

September 25, 2020

Dear Property Owner/Resident:

The first day of asphalt paving has been pushed to Monday, October 5<sup>th</sup>. We will pave the westbound lane as well as the intersection of Meadow Lane. Please watch for the detour to avoid this area. Following paving we will switch traffic over and begin crack sealing in the eastbound lane. Followed by pavement repairs the following week.

Your cooperation is much appreciated during this time. Please feel free to reach out to me at 509-362-2604 should you have any questions or concerns during this phase of construction. Thank you in advance for your understanding.

Sincerely,

Tawny Thompson
